- Mission:
 - To educate and train field grade level leaders to be agile, innovative, and adaptive, who think critically, communicate effectively, can build teams, and lead organizations under mission command to conduct Unified Actions while in a complex and uncertain environment through a variety of distance learning methods.
- Vision:
 - To be recognized as the premier Distance Learning Program in the Department of Defense.

UNCLASSIFIED

Backup Slides

- **97th TNG BDE Grader Support** (DDE Common Core Division requires additional assistance with alleviating the backlog of papers from DL students)
STATUS: 97th TNG Brigade executed requested support; ongoing
- **Reserve Component Instruction Promotions** (awards RC personnel with similar titles as resident instructors; i.e. Associate Professor, Assistant Instructor, etc)
STATUS: 97th TNG BDE submitted 3 packets during the last announcement window; returned without action. Will provide requirements to the BDE staff for the next submission timeline.
- **Foreign Military Student CGSOC (7th ILE) Attendance** (currently researching the way ahead for designated coalition partners (GE) to attend CGSOC classes in Germany within the 2 x 12-day AT/ ADT and 2 x 9-day AT/ADT CGSOC-ILE format. *Active Component students normally use TDY funds.
STATUS: Drafting updated EXSUM for Director CGSS/Deputy Commandant (Aug 16)
- **DDE Website Enhancement** (seeking better technology alternative to provide information to current and prospective DL students in a non .mil or SharePoint environment)
STATUS: DDE content updated and added to CGSS public website; Facebook page also active within the CGSS (Facebook) domain
- **Alternative AOC Resident Options** (based on the West Point AOC DL option, currently exploring other alternatives for resident attendance to the AOC portion of the ILE POI)
STATUS: As part of the Jan 17 AOC class, a resident/BL pilot is scheduled for 3rd quarter FY17 (32 pax); currently experiencing administrative constraints related to funding (CGSS), TRADOC course implementation requirements, and approval by TRADOC . Anticipated start now FY18.
